Terror as medics fear spread of horror plague

A NEW form of VD that munches away on victim's genitals has been identified for the first time...in SOUTHPORT!

The horror plague, called *Donovanosis*, is normally restricted to tropical countries and it's not yet clear why it's cropped up in the Merseyside seaside resort.

The bug, if left untreated, causes flesh-eating genital ulcers to grow and spread. Other bacteria then attacks the rotting matter in the ulcers, creating a stench described as "like a dead dog in a puddle of sewage on a warm summer's day".

Bit by bit, the horror infection eats away at the genitals then moves on to the ARSEHOLE.

By BARNEY SAMUELS
news@sundaysport.co.uk

Complications

There are also possible complications involved in contracting the disease, which can include permanent genital damage and scarring, loss of skin colour and irreversible genital swelling due to the scarring.

The disease is usually found in tropical and subtropical countries such as southeast India, Guyana and New Guinea, and due to its rarity in Britain it doesn't appear on most sex pox lists, compiled by UK sexual health websites.

Pharmacist Shamir Patel, of Chemist 4 U, said: "This is a very rare and nasty condition and it could be one of the first times it has been recorded in the UK.

"*Donovanosis* itself can be treated with antibiotics, time is of the essence. Any delay could cause the flesh around the genitals to literally rot away.

"This bacteria is also a risk factor in the transmission of HIV."

EU bars logo on cars

DRIVING a car with an EU logo printed on the numberplate will be ILLEGAL after Brexit and could invalidate your insurance, motoring chiefs have warned.

Many new cars have the 12-star EU logo printed on the left hand side of the plate, but as Brussels owns copyright to the image, cars displaying them after March 2019 will breach trademark rules.

Giles Patterson, head of the pro-EU Motor Safety Research Foundation, said: "Motorists would not have voted for Brexit knowing it would make their vehicle an illegal publication."

Trump messily shat his pants at school yet still insisted 'it wasn't me'

SUNDAY SPORT EXCLUSIVE
By BRAD CHADWICK

DONALD Trump shat himself at school but REFUSED to admit that he'd done it.

And the then seven-year-old even accused another boy of placing faeces in his undies.

That's the astonishing new claim to rock the US President.

An ex- schoolmate at Kew-Forest School in Forest Hills, New York – where the young Trump attended – said: "He screamed until he was blue in the face that he 'did not soil' his pants."

The schoolmate, who asked not to be named for fear of reprisals, said: "It was an extraordinary sight.

Smell

"It was a warm day and the smell was indescribable.

"But little Donald stood there, with ordure running down his legs, and insisted that he did not mess himself.

"He even claimed another boy must have put the poo in there.

"He was a piece of work even aged seven!"

Storm clouds have enveloped the 72-year-old President after his former attorney Michael Cohen pleaded guilty to eight federal crimes, including tax evasion and making false statements to a bank, and campaign aide Paul Manafort was convicted of electoral law violations.

The row has led to calls for Mr Trump to be impeached – effectively sacked – by Congress.

But the President insists that impeaching him would crash the US economy and then "everybody would be very poor".

SOPHIE'S SPUNK ON CHAIR REVELATION

GEORDIE Shore **stunna Sophie Kasaei made a shocking confession about what's on her vanity chair – and revealed no-one would care if it was covered in SPUNK.**

The 28-year-old reality star appeared on *Celebrity Big Brother's Bit on the Side* on Thursday night and discussed an argument the housemates had over a wet vanity chair.

After a row Natalie Nunn, 33, had with housemate Chloe Ayling, 21, Sophie revealed she would happily sit in a puddle of sperm to do her hair and make-up.

Sophie told CBBBOTS host Ryan Clark, 29: "Like if I speak from past experiences. If that was the house that I live in, nobody would give a shit what is on that chair.

"Whether it's sperm, whether it's water, it does not matter."

A third of women are sex cheats, says survey

MORE than a THIRD of women are SEX CHEATS and that's OFFICIAL!

Online women's magazine *Healthista* conducted a survey of 1,300 women aged between 25 and 55 – over 90 per cent of whom were in relationships – in which they asked them for intimate details about their sex lives.

And a staggering 34 per cent of respondents claimed they'd had sex outside of their long-term relationship, most of whom said this had happened between two and five times.

Meanwhile, a shocking 40 per cent of the women surveyed admitted to fantasising about other people while having sex with their partner.

But not all ladies are faithless, sex-crazed harpies.

The survey found that over 10 per cent of women who are either married or live with their partner had not had sex in over a year.

Almost 30 per cent of those surveyed said they have sex twice a month, but four per cent, say they have it every day, and two per cent said they had sex more than once daily.

The survey was done in association with libido enhancer Lady Prelox.

HISTORY brainbox Mary Beard is to present the biggest collection of BOOBS, MINGES and even WILLIES ever screened on British TV.

The Classics boffin (*above*), 63, will present a two-part series entitled *The Nude Uncovered* on BBC2.

A BBC spokesman said: "Mary will be reflecting on the changing history of the way people have looked at and understood the naked human form."

But the series will not just all nuddies. Insiders say Beard will also prattle on about "gender politics" and shit like that.

One said: "You'll be getting to the vinegar stroke over some pert classical teats and Beard will pop up banging on about 'perceptions'. It'll put you off your stroke."

BARING UP: Chloe got 'em out before her kidnap ordeal

***CELEBRITY Big Brother*'s Jermaine Pennant showed he's got taste – by tonguing fellow housemate Chloe Ayling.**

But while the ex-Liverpool ace got a close look at inner thigh of Chloe, 21, he DIDN'T get to see her amazing boobs.

That delight belongs to *Sunday Sport* readers who are the ONLY people to see these EXCLUSIVE topless snaps, taken when she was a 19-year-old aspiring model.

Jermaine's bizarre thigh-licking antics came during a rowdy game of Spin The Bottle with some housemates.

As the container pointed at Jermaine, 32, cheeky *TOWIE* star Dan Osborne dared him to bark and growl like a dog before he was forced to crawl around the floor on his hands and knees, and finish off by licking the inside of model Chloe's thigh.

By SIMON DEAN
simon@sundaysport.co.uk

Clearly a little disturbed by the task, he reluctantly agreed, as Dan cheered: "Jermaine, tongue out like a dog, that's all. This is brilliant."

Meanwhile, Chloe was in hysterics as she posed with her left leg propped on a stool.

Chloe, who hit the headlines when she was drugged, kidnapped and held captive for six days, posed for our sexy snaps before her ordeal.

A source said: "I bet Jermaine would have liked to tongue her boobs as well as her thighs – but he's a married man, of course."

Gest's ghost puts willies up the celebs

THE ghost of DAVID GEST haunts the *CBB* Jacuzzi, it's claimed.

Tragic TV personality David was a contestant on the show back in January 2016 and died of a stroke later that year aged just 62.

Now, it appears, he's back in spectral form and putting the willies up this year's contestants.

An insider said: "Contestants are coming to producers saying they are hearing ghostly voices saying 'Whoooo, I'm not a gay, honestly'.

"It can only be the shade of David Gest coming through from the Other Side."

Last night a *CBB* source said the presence of David Gest's ghost was "pure speculation".

She added: "But then it put its feet on my teeth and started to...." before making a choking expression.

Sunday Sport EXCLUSIVE

By SIMON DEAN
simon@sundaysport.co.uk

WHEN Barry Frobisher first saw 'Human Ken Doll' Rodrigo Alves he thought: "I want to be like that!"

Alves – a contestant in the *Celebrity Big Brother* house – is famous for having undergone dozens of plastic surgeries in an attempt to perfect his own appearance and has spent over £500,000 on ops.

Unfortunately, freelance window cleaner Barry, from Stalybridge, Greater Manchester, did not have that level of funding and decided to have the job done "on the cheap".

After finding a struck-off Moldovan plastic surgeon on the Dark Web, he saved up £300 and travelled to the surgeon's caravan in Droitwich, Worcs, for the op.

The results were less than perfect.

Barry said: "When I came round from the anaesthetic, it felt like I'd been kicked in the face by a donkey. The surgeon told me that this was quite normal and not to take the bandages off for three weeks.

"But after two weeks the stench of rotting flesh was too much so I slipped the bandages off for a look. I was sick at what I saw.

"I looked nothing like Rodrigo the Human Ken Doll. If anything, I looked more like Ken Dodd! My teeth stuck out at angles and I'd adopted a bizarre 'surprised' expression.

"I tried to ring the surgeon but the line is dead.

"I wanted to be a reality TV star. Now I'll be lucky to get on a *Come Dine With Me Freaks Special*."

'Cultural appropriation' rap for fetish gear model

AMBER Rose has been accused of "cultural appropriation" after dressing in FETISH gear for an awards bash.

The 34-year-old model showed off her devilish side *(below)* at the MTV Video Music Awards as she wore a latex bodysuit, thigh-high boots and a cat face mask on the red carpet.

The beauty accessorised with fishnets, suspenders, elbow-length latex gloves and a cat o' nine tails whip.

But while most fans were thrilled, members of the S&M community have accused the model of pinching treasured elements of their culture.

Xerxes deBruin, 45, chairman of the BDSM Defence Forum, said: "This is as culturally inappropriate as a white man blacking up. It's an absolute obscenity.

"We call for Amber Rose to undergo diversity training."

Only last week, Labour MP Dawn Butler accused celebrity chef Jamie Oliver of "cultural appropriation" over his new 'jerk rice' product.

She captioned the sexy shot 'Stay extra' but her dad, famous for his impersonations on *Saturday Night Live*, wasn't happy.

Underneath his daughter's raunchy social media photo, he voiced his disapproval and wrote 'No. Just… No.'

Although we reckon most fellas would be saying 'Yes. Just…Yes.'

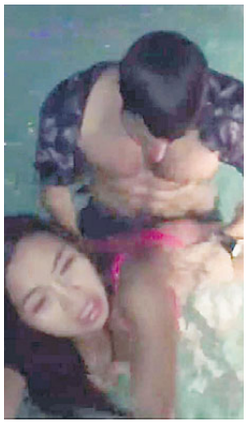
Thai cops hunting Brit over pool party 'romp'

A BRIT tourist is being hunted by cops after he was allegedly seen "romping" with a Thai girl at a raunchy pool party.

Police in Thailand issued an arrest warrant for the 33-year-old British citizen, who simulated sex with a bikini-clad local during a boozy bash at a hotel in Pattaya, Thailand.

Footage *(below)* allegedly shows the man simulating sex from behind with the woman.

A second man, who has not been identified but is suspected to also be British, is seen simulating oral sex while wearing a sailor's hat in a separate clip.



The video sparked anger from the city's police after it was posted online.

The authorties are keen to clean up the sex tourists' paradise.

Police have also issued an arrest warrant for the woman, although they have not yet identified her.

The pair each face a £120 fine for breaking the country's obscenity laws by "performing a lewd act in public".

10 things you might not know about SIMON COWELL

MUSIC mogul Simon Cowell was handed his own star on the iconic Hollywood Walk of Fame last week.

The 58-year-old was honoured in a glitzy ceremony which saw his protégées Leona Lewis, 33, and Kelly Clarkson, 36, perform.

Here's 10 things you might not know about the *X Factor* guru...

1 WHEN Simon was 12, he was arrested after he hijacked a bus with a pea gun. He said: "Myself and a friend were going on a bus and we thought it would be a joke to put the gun to the driver's head and say take us to where we were going. We got to the other end and there were cop cars waiting for us. They threw us in jail."

2 **IN the 1980s he left EMI records to form E&S Music. But in 1989, Simon found himself so deep in debt that he had to move back in with his parents.**

3 NAUGHTY Si attended 16 schools because of bad behaviour. He eventually dropped out at the age of 16.

4 **SIMON turned down an offer of £1million to be the face of Viagra in 2007 and said: "That's a f**king insult."**

5 AFTER school he took a job as a runner on the set of Stanley Kubrick's *The Shining*. Actor Jack Nicholson's character famously breaks through a door with an axe in one scene – it was Simon's job to polish his chopper!

6 **BACK in 1990, Cowell appeared on the telly series *Sale of the Century* and won a set of kitchen utensils.**

7 SI has appeared as a guest voice in an episode of *The Simpsons* in which he gets beaten up by Homer Simpson.

8 **HIS voice was also heard on an episode of *Family Guy* in which he told Stewie his singing was so awful that he should be dead.**

9 HE is allergic to lamb's wool so has to wear cashmere sweaters.

10 **EVERY morning while he eats breakfast, Cowell watches old cartoons – his favourites are vintage Hanna-Barbera classics.**

MEET BRITAIN'S SHITTEST UPSKIRT PHOTO PERVERT

GUILTY: Peter Lucas will be sentenced next month

WHEN Peter Lucas inherited an 8x10 inch architectural camera from his grandfather, the bespectacled creep knew just what he was going to do with it...

SUNDAY SPORT EXCLUSIVE
By BARNEY SAMUELS

Take the most detailed upskirt photos EVER!

The 19-year-old oddball – posing above with his inheritance for a local newspaper feature last year – broke into the sewers under Manchester and set up his cumbersome apparatus looking up through a grid.

On a post on his Dark Web blog, read out by prosecutors at his trial last week, IT assistant Lucas boasted: "My aim is to take the highest definition upskirt pics ever in the history of upskirting.

"No mobile phone snaps for me.

Fleshy

"I'm using the best equipment.

"You will be able to almost feel the hairs and feel the fleshy lips of my unwitting models."

It's thought that Lucas exposed more than 300 plates using the antique camera until he was finally caught when a lady from Saddleworth, near Oldham, Lancs, happened to look down while taking a tinkle in a grid in Manchester city centre.

Lucas was later charged with indecency, voyeurism, making indecent images and interfering with a civic drainage system.

He pleaded guilty in court last week and will be sentenced next month.

The camera was impounded and will be sold to raise funds for victims' groups.

THE VOICE OF YOUR BRITAIN

Nappy days aren't quite here yet...

THE modern world cheered when it was revealed that Olympic diver Tom Daley and his husband Dustin Lance Black were expecting a baby.

Naturally, the couple were delighted at the arrival of their son – courtesy of a surrogate mother.

Who cares that, just a few years ago, the idea of two men being married – never mind having a child together – would have been scoffed at as an outlandish idea?

Thankfully, what was seen as preposterous in recent history is now fully accepted in our inclusive, diverse society.

And the adoption of young Mr Daley as a "brand ambassador" for nappy brand Pampers is yet more evidence that our society is shaking off the dusty shackles of outdated bigotry.

But not so fast!

Are we REALLY that forward looking?

Are we REALLY free from the stifling fog of bigotry?

That question is rightly asked by "adult baby" Patterson Forbes.

Unlike, presumably, Mr Daley, Patterson actually does wear a nappy.

If anyone is to be a "brand ambassador" for Britain's number one line of nappywear, should it not be Patterson Forbes or one of his shamefully excluded community?

So while we must all declare ourselves impressed by Pampers' embrace of diversity, we must remind ourselves of something...

A world that excludes adult babies cannot call itself truly progressive.

24-inch dildo robber drops ID at scene

A WOMAN who tried to rob a TWO-FOOT dildo from a sex shop was nicked after leaving behind her ID at the scene.

Estella Acevedo (*above*), 27, selected the 24-inch "Leon" rubber cock but baulked at the £80 price tag at the shop's counter.

As a sales clerk took the huge marital aid back, Acevedo grabbed it and ran out the front door of the Adam and Eve sex boutique in San Antonio, Texas.

The clerk chased her and police say Acevedo hit the employee with a stick, before dropping the merchandise and running off.

As the employee picked up the stolen items left behind, she noticed Acevedo left her wallet and mobile phone on the ground. The wallet contained an ID with the name "Estella Acevedo," police said.

Acevedo was arrested less than two hours later and charged with robbery.

A police source said: "Hell, this dumb lady must have a pussy like a yawning horse, yes siree!"

Docs' vagina ban for trans

DOCTORS should be BANNED from using the word "vagina" in case it offends female-to-male transsexuals!

The move comes after health information site Healthline, which serves 85 million people a month around the world, used the expression "front hole" instead of vagina in an LGBTQIA Safe Sex Guide.

A source said: "Persons who identify as male but are still anatomically female, feel that labelling genitals is problematic because they don't identify with terms like vagina.

"They accurately fear that if someone knows they have a 'vagina,' those people will assume that they are female, when they have decided that they are not."

HAVE you ever dreamed of being chased round a pitch black warehouse by two butch lesbians toting dildo-shaped guns which shoot globs of spunk-coloured goo?

Now that nightmare can become a reality thanks to two Preston lesbians who have just launched their LEZZA QUEST business.

Daphne Phillips and her lady lover Becky Knight rented an industrial unit on the outskirts of the Lancashire city.

The pair then set about building an internal assault course-cum-maze – along the lines of the popular Laser Quest entertainment venues.

For £30 each, punters can charge around in the pitch black or gloom, with Daphne and Becky hot on their heels, wielding their goo-splotting weapons.

Daphne boasted: "It will be the jewel in Preston's entertainment crown.

"We're already booked up to Halloween and we've had some really great reviews on TripAdvisor.

"We onto a winner here!"

Becky, who was a married mum-of-three before being lured into lesbianism by Daphne on a trip to Hebden Bridge, said: "Daphne came up with the name Lezza Quest. Daphne's so clever. She looks after me."

Teen 'told to drop pants by boss who had dildo up bum'

A TEENAGER was asked for BUM SEX by his coke-crazed, cross-dressing boss on his first day at work at an air-conditioning firm.

Stunned Matthias Ameer, 19, watched in horror as 74-year-old Thomas Fleet lifted up the hem of his skirt and pulled a foot-long dildo out of his arse.

In a lawsuit, Ameer tells the tale of a cocaine-snorting male boss who allegedly surprised him by dressing in women's clothes, then whipped out a foot-long pink sex toy and insisted Ameer drop his pants – all while gay porn was playing on a TV in his office.

Ameer endured the bizarre sexual harassment after completing his first day on the job at Fleet Mechanical Systems, an HVAC repair company in Maspeth, New York, in October 2017, according to the lawsuit filed in Manhattan federal court.

Ameer, who was then 19, fled the office and has since moved to Maryland.

He is suing Fleet for discrimination and retaliation. He is seeking damages, lost wages, attorney's fees and a trial by jury.

Hospital porter BONKED dead body

NECROPHILE: Weird Wright

By BRAD CHADWICK news@sundaysport.co.uk

A HOSPITAL security guard was nicked after he was caught balls-deep in a woman's DEAD BODY in a morgue.

Cameron Wright, 23, was arrested and charged with abuse of a corpse after at least two witnesses saw him having sex with the cadaver inside a body storage area at St Francis Hospital in Memphis, Tennessee.

Police said Wright admitted to the crime and the hospital said the perv has since been fired.

"The behaviour of this individual does not represent what our hospital stands for and these actions are completely unacceptable," the hospital said in a statement.

"We are empathic and sympathetic to the family of the patient."

Wright's sister said her brother's personality was "child-like" and his actions raised questions about his mental state.

"I think he's still a good person, he just needs help," she said.

Assaulted

The body of the 37-year-old teacher and organ donor, who died of a heart attack, was being held in the storage room ahead of having her organs removed when her corpse was assaulted.

"I'm not only dealing with her death, I'm dealing with this and it's not fair," the dead woman's father said.

Hookers' sex boxes declared a success

SO-CALLED "sex boxes" where hookers can romp with clients have been declared a success.

The Swiss city of Zurich installed the booths five years ago after residents gave the idea the thumbs-up in a local referendum.

Last week the city's social services department said there had been no case of serious incidents of violence reported at the site in the west of the city.

The boxes are equipped with safety alarms and authorities had said they wanted to provide sex workers with a place where they could ply their trade safely.

Before the sex boxes were introduced, prostitutes gathered on the riverside Sihlquai area near Zurich's main railway station, and violence was a daily reality.

The boxes are under 24-hour surveillance and feature facilities including a laundry, shower and café.

Hookers using the facility must get a permit and pay tax.

Prostitution is legal in Switzerland but sex workers are required to register with municipal authorities and get regular health checks.

Sir's struck off for public wank

A TEACHER and former teaching union boss has been struck off for life after he was caught naked and furiously masturbating at the side of a busy suburban street.

Jeff Miller (*above*) was forced to retire from his post in 2014 due to "worrisome conduct around students".

But after his conviction last year for public pud pulling, authorities decided to formally strip the 63-year-old of his teaching licence.

Miller was filmed lying on a towel in Portland, Oregon wanking and singing tunes from the musical South Pacific.

He pleaded guilty and was sentenced to 10 days in jail plus 18 months probation, with conditions that include a ban on using marijuana.

A MAN aged 80 and a woman, 75, became stars after a video of them having sex in the street in the Greek city of Thessaloniki was shown on breakfast TV.

MY DEAD HUBBY TASTED GREAT WITH CRUSTY BREAD

FED UP: Bashir and Ella

AFTER watching *Bambi* in 2006, tiresome Ella Patterson decided to become a vegetarian – and two years later found she could be even more irritating by declaring herself vegan.

Driving most people from her presence with a mixture of holier-than-though hectoring and infantile left-wing politics, 35-year-old Elle eventually took a Syrian refugee into her home for company.

By SIMON DEAN
simon@sundaysport.co.uk

And thanks to the language barrier which prevented Bashir al-Sahar understanding Ella's social gibberish, love blossomed and the pair wed.

But unfortunately, Bashir became involved in organised crime and was killed in a knife fight with a member of an Albanian shit gang.

Stew

Yet heartbroken Ella says she can always remain close to her late hubby – as she ATE his ashes mixed into a stew.

The totally deranged virtue-signaller said: "When the police told me that Bashir had been killed I said 'Was it Combat 18 thugs?' and they told me no. He's just doubled-crossed an Albanian shit gang in a heroin deal.

"I explained that my husband was a refugee from Syria and that he could not possibly be involved in criminality but they said that's what happened.

"I felt as though this country had let Bashir down so I vowed to keep him with me.

"But eating his ashes. I know that's not strictly vegan but I asked several people via Twitter and went for it.

"I emptied Bashir's ashes into a three-bean casserole. To be honest, he was delicious with some crusty vegan bread."

DRUGGIE-BASHER IS SPARED PRISON

A DRUNK who grabbed a guitar and smashed it over an unconscious drug addict's head has been spared jail.

CCTV footage showed Simon Groves assaulting a man who was slumped on a bench, claiming that "he deserved it" because he was high on the synthetic cannabis drug, also known as Spice or Black Mamba.

The father-of-one had been drinking lager and sambuca since 11am before he got into an argument with two men because he and his friend were "riled to see them off their barnets with kids hanging around".

Groves then took the guitar from one of the men and smashed it over the side of the head of the other.

Prosecutor Neil Hollett told the court Groves described himself to police as being very drunk.

Impact

"He said he was a 10 out of 10 on a one-to-10 scale of being drunk," he said.

"…The defendant is seen to take the guitar from the victim and swinging it like a baseball bat to the side of the victim's head. The guitar breaks on impact and the victim was woken at that point."

Speaking of what the 30-year-old defendant had told police after the attack, Mr Hollett said: "At the police station he said 'You're arresting me for hitting a mamba-head?' He deserved it'."

Groves admitted one count of assault by beating at Mansfield Magistrates' Court.

He was sentenced to 24 weeks in prison, suspended for 12 months, and was ordered to attend 30 days of the Control of Violent Behaviour in Angry Drinkers programme.

'Kidnapped' girl wanted cash off dad

A YOUNG woman faked her own kidnapping to try and get £400 in ransom money from her dad.

Abbygail Farley (*above*), 19, was reported missing by her father, Mark, last Monday.

On Tuesday, Mark received a text messages from her alleged kidnappers who asked for a ransom of about £400.

Police spokesman Coy Wilson said: "The father said he was receiving messages from her phone saying she had been abducted for money because she owed some money."

The alleged abductors then gave Farley's dad a drop-off location in Corbin, Kentucky, to leave the money.

That's when he contacted authorities.

After her dad dropped off the money, police pinged Farley's phone and discovered she had sent the ransom notes to her father.

"We think she has a drug problem and that was the reason behind all of this," Wilson said.

Farley was charged with falsely reporting an incident, theft by extortion, theft and disorderly conduct.

Naked nut lobs crapper at cops

NAKED nutter Jason Day threw a WARDROBE, a BED and a TOILET out of a hotel window during a stand-off with cops.

Police were called to the La Quinta Inn in Greenwood Village, Colorado, after Day, 38, stripped off and began running around corridors.

He then ran into his room, barricaded the door, smashed the window and started throwing furniture out at officers below.

With all of the furniture gone, Day then ripped the loo from the bathroom and chucked that out too.

He was finally nicked after police smashed their way into the room and set the dogs on Day, who is said to have drug issues.

BEETROOT-MAD CHUBBY BROWN BUILDER BLOCKS BOB CAROLGEES' BOG

GREAT BLOKE: Bob with dog Spit

CRAPPY FELLA: Beetroot lover Bernie and loo like he blocked

A BURLY builder who's the spitting image of comic Roy Chubby Brown is being blamed for blocking Spit the Dog funnyman Bob Carolgees' personal toilet – creating a flood that caused £20,000 damage!

The mystery handyman, known only as "Bernie" was seen leaving the lavvy at a Manchester theatre, which cannot be named for legal reasons, just before what was described as "a tsunami of filth" flooded the ground floor and basement.

Fellow builder Chris Lewis, who was working on the same job, said: "This guy, we all knew him as Bernie, used to have a pile of beetroots for his dinner, then disappear to the bog for an hour.

"We were doing this job at the theatre and we knew that Bob Carolgees was appearing in panto there. We were warned that this particular crapper was Bob's personal one and we were not to use it.

By BARNEY SAMUELS
news@sundaysport.co.uk

Drains

"Apparently Mr Carolgees, who's a wonderful bloke by the way, is quite particular about it.

"But Bernie just said, 'I don't care whose bog it is – I've had my beetroot and now I want my shit.' He went off and soon after he came back the drains started backing up."

Chris added: "It was clear he'd blocked the toilet. He was on his toes. He put his flask in his wheelbarrow and went out to his van. That's the last we saw of him.

"The shit smell was incredible and the foreman was livid. They almost had to cancel that night's performance of the panto as it was Snow White and they were worried a dwarf might drown in the effluent.

"Thankfully, we got it drained just in time."

A source close to Bob Carolgees – who ran a candle shop after his showbiz heyday – said: "Bob has a load of amusing showbiz anecdotes. Strange, he's never mentioned that one."

'SEX DROUGHT' PERV'S LOO CAMERA

A KINKY crimper planted a secret camera in the men's toilet at a 2,000-guest summer party.

Dominic Hendy, 28, claimed a sex drought had led to him hiding the device behind toilet rolls to film the cubicle's users.

Hendy, of Bow, east London, pleaded guilty to voyeurism at Hawker House, a huge night market in Canary Wharf, on July 12.

His lawyer told Camberwell Green magistrates: "He was without sexual contact for a year and felt stressed and was not thinking straight."

Prosecuting, Chidi Ikwuakolam said: "A cleaner at the event was cleaning the men's toilet and came across a small black box on the floor and handed it to a security guard.

"The manager realised it was a camera that had been put carefully on the floor in one of the one-person cubicles. It showed full-frontal views of people using the toilet."

Hendy was handed a 12-month community order.

WRECKS IN THE CITY: Is this the future for the folk of Stoke?

STOKE BRACED FOR ZOMBIE CANNIBAL HOLOCAUST

New death drug makes users 'as strong as Incredible Hulk'

CHILLING: Stoke's streets are in the grip of a Monkey Dust epidemic

IF you're not keen on the idea of being eaten alive by a zombie with superhuman strength, DON'T go to Stoke-on-Trent.

Because the Potteries city is in the grip of a chilling drug epidemic that has

BLOODY HELL: Tramp had face eaten off by drug user

By SIMON DEAN
simon@sundaysport.co.uk

"Incredible Hulk" users charging around the streets, lusting for blood and smelling faintly of prawns!

The illegal powder, known as Monkey Dust, can be bought for as little as £2 a hit – and can leave users in what horrified cops call a "zombie-like state" and completely impervious to pain.

Emergency services are close to being overwhelmed by the epidemic, with around 10 calls EVERY DAY related to Monkey Dust.

The drugs are available to buy online and it's feared more people across the country will start taking the addictive powder because it's being sold at such a low cost.

But for the moment it's Stoke that's Ground Zero for the Monkey Dust epidemic.

Local cop PC Rich Frost said: "When you are trying to restrain them, it's like you are dealing with someone who thinks they are the Incredible Hulk.

"The strength is unbelievable."

Chief Superintendent Jeff Moore said: "The public may be familiar with users wandering about in a zombie-like state after taking these drugs, but this is something different.

"There are various strains of these drugs and what we are seeing now is people becoming extremely agitated and paranoid. Sometimes they can be violent.

"They're often trying to get away from things, so they'll climb up buildings or run into traffic.

"Previously, we've been mainly concerned about the risk of overdose and the affect drugs have on users' health.

Paranoid

"That's still a concern, but now we're seeing people at risk of physical injury because of their behaviour.

"And even when they are injured, they can stay in that paranoid state for two or three days, which is putting a significant strain on our resources and that of the ambulance and the hospital.

"It's also much cheaper than other drugs. While heroin can cost £10, Monkey Dust is being sold for just £2 or £3.

"We want to raise awareness of this problem. We want people to know this isn't a fun, social drug – it's causing serious harm."

Also known by the sinister monikers 'Zombie Dust' and 'Cannibal Dust', MDPV or MDPHP, it is thought to be the same substance that led to user Rudy Eugene, 31, eating the FACE off tramp Ronald Poppo.

Bizarrely, along with the other effects, the drug also makes users' sweat smell of prawns or vinegar.

Now public health officials are trying to figure out how to halt the spread of the plague.

One source said: "One option is to set up a cordon sanitaire around Stoke and let nobody in or out until the epidemic has burned itself out.

"But that would involve trapping tens of thousands of people in Stoke with no chance of escape.

"That would be inhuman, even without flesh-eating zombies on the loose."

SACKED SEX MISS SOLD CRACK

A TEACHER sacked for shagging a pupil turned to selling CRYSTAL METH to make ends meet.

In an almost-echo of the storyline to *Breaking Bad*, 29-year-old Sarah Lewis was nicked when 190 doses of the killer death drug were found at her home during a police raid.

Early last month she was arrested for selling crystal meth from her car and is awaiting trial on that charge.

She was booked into the Utah County Jail on a charge of possession of methamphetamine with the intent to distribute and a charge of possession of drug paraphernalia.

Unlawful

Lewis, a former dance and social studies teacher from Orem, Utah, was sentenced in August 2017 to three years of probation and 195 days in jail for unlawful sexual activity with a minor.

The victim was a pupil at Landmark High School in Spanish Fork, Utah, where Lewis *(right)* taught dance and social studies at the time, according to court documents.

Under the terms of her probation, Lewis must register on the sex offender registry, obtain a psychosexual evaluation and complete recommended treatment.

She is also prohibited from having contact with former students.

SHE may be weeks away from the poorhouse but there's no doubt that Katie Price remains a cultural icon.

And the phenomenon is being recognised by the posh Victoria and Albert Museum in London, which will feature huge copies of her most famous snaps and some of her most eye-popping outfits.

A source said: "The V&A is one of the world's premier cultural institutions and Katie Price is one of the major cultural phenomena of the last 20 years.

"We fully expect the retrospective to be well attended.

Blown

"The exhibition will also look at the whole 'lads culture' that Katie – or Jordan as she was then known – was such a part of."

Earlier this month Katie was given three months to reach a settlement with her creditors by a bankruptcy court.

It's believed she's blown her £45m fortune.

Anyway, here are three pages of her filthiest pics...

LADY SCREW FILMED SHAGGING AN INMATE

A FEMALE screw was nicked for shagging an inmate after CCTV footage of their romp appeared on a porn website.

Randy Stephanie Nelson was sacked from her job as a detention officer in Laurens County, South Carolina, after the clip "Screwing Screw Does Anal" appeared online.

In the high-definition XXX vid, 38-year-old Nelson *(above)*:

- SUCKS hungrily on the con's stiff manhood
- SPREADS her legs to allow the felon to penetrate her sopping MINGE
- SPLAYS her bum cheeks for taboo ANAL sex

By BRAD CHADWICK

Lubricant

Authorities noted that the tough-bummed screw apparently used NO lubricant for the bum sex.

It's not clear who leaked the footage, but an investigation into what had happened began after Nelson was arrested.

Sheriff Don Reynolds said the arrest shows the dedication of his office to ensuring those entrusted with public safety are held accountable for their actions.

"I will not tolerate criminal behaviour from anyone, especially our own deputies," said Reynolds.

"This county jail is as good for one person as it is another, especially those we entrust to uphold ethics, standards and professional practices."

Cock bite saves attack victim from knife nut

A SEX attacker got his just deserts when he was bitten on the COCK by his victim.

The terrified woman woke to find Spencer Franklin, 24 (*above*), standing at the door of her bedroom and as he approached, she saw he was holding a knife.

Franklyn demanded she perform oral sex on him, and according to court documents, the victim felt he was going to stab her and that she had to escape.

So she bit down on his private parts.

In the ensuing struggle, the woman was actually stabbed, but managed to flee and raise the alarm with a neighbour in Kansas City, Missouri.

Franklin was caught on CCTV, and the woman later identified him in a police line-up.

When Franklin was arrested, officers got a warrant to search his body and found teeth marks on his Johnson, which was bleeding.

Franklin is now in jail facing a charge sheet which includes sodomy, armed criminal action, burglary and assault.

NEVER LET A LOVE RIVAL DO YOUR MAKE-UP

COCK 'N' BALLS STORY: Sarah's daubed features

SARAH Jones thought nothing of letting "pal" Wendy Marshall help put on her make up for a night out in Blackpool.

But when Sarah hit the Golden Mile, the reaction of passersby left her baffled.

The 24-year-old said: "People were pointing and laughing. I looked around, thinking I might have got my skirt tucked in my knickers.

"Wendy, the bitch, said she could see nothing either. It was only when I walked past a shop window that I saw it."

SUNDAY SPORT EXCLUSIVE
By GRACE HOOPER

For vengeful Wendy, 25, had daubed a massive COCK 'N' BALLS on Sarah's face.

The hairy testicles and base of the cock's shaft framed Sarah's mouth, while the BELLEND was in the centre of her face.

Eye-for-detail Wendy had even painted in gobbets of SPUNK cascading onto Sarah's eyebrow.

In a scuffle, Wendy suffered a black eye and a burst lip.

Magistrates heard Wendy daubed the facial graffiti after she discovered Sarah had "sucked off" her ex boyfriend in Bolton, Greater Manchester.

Both admitted affray and will be sentenced next month.

PC salesman arrested for naked cock wash at door

A WOMAN watched in horror as a man who tried to sell her a stolen laptop stripped NAKED and washed his BELLEND in her front garden.

Riayn Roberson popped out of her house to have a smoke when she was approached by Derrick Robinson, 28 (*below*).

Robinson asked her if she wanted to buy the gadget, but as she already had a computer and feared the machine was stolen, she told him to sling his hook.

The victim said she

went back in her home but Robinson started banging on the front door of her apartment in Ruston, Louisiana.

When the terrified woman looked out of her window she saw Robinson was also urinating on the door.

As she was on the phone to officers, she watched as the creep then stripped naked and began washing his penis, "paying particular attention to the end".

Police officers were quick on the scene and arrested Robinson on several charges, including disturbing the peace and obscenity.

Jammed sex toy rescue op

A MAN was left red-faced after he had to be rescued when he got a finger stuck in a SEX TOY machine.

The 27-year-old, known only as Zhu, was stuck for 20 minutes in the vending device after he tried to grab his jammed toy through a gap.

Zhu claimed he'd paid for the sex product on his mobile phone, but that it failed to drop out for him.

After seeing a small hole in the machine's side panel Zhu decided to put his finger in to reach his gadget, in Cixi, Zhejiang Province, China.

When his finger got lodged, Zhu ended up calling the Zhejiang Fire Department for help.

It took them around 10 minutes to cut through a side panel to free him.

Chicken and strips on diner girl's menu!

A WOMAN stripped naked and got her giblets out at a fried chicken restaurant – from which she was banned for pulling the same stunt three weeks previously.

Troubled Sonyetta Hayes, 43, was found by cops undressing at the side door of the Bojangles diner in Columbia, South Carolina.

Officers told her to put her panties back on but she ran to the front of the restaurant "yelling profanities and racial epithets", according to an arrest report.

An officer reported that when he told Hayes to desist, she "held open her private parts and made a sexually explicit remark".

Hayes *(above)*, who was on trespass notice from the restaurant for being caught completely naked on the property three weeks earlier, faces charges of disorderly conduct, trespassing, larceny and littering.

Four years of bum sex – and no baby?

A MARRIED couple desperate for a baby have been told the wife won't get pregnant being shagged up the ARSE!

The pair, aged 26 and 24, sought professional advice after having no joy conceiving, despite having regular sex.

But alarm bells rang when medics discovered the wife was a virgin.

And she admitted sex was "usually painful".

Obstetrician Liu Hongmei inspected the woman's anus.

It was then that the medic is said to have learned the couple had been mistakenly having ANAL sex for four years, resulting in their failure to conceive.

Doctor Liu gave the couple, from Bijie city in China's south-western Guizhou province, a sex education handbook and the woman is now expecting.

I SHOULD BE THE FACE OF PAMPERS... NOT TOM DALEY!

NAPPY BASH: Diaper wearer Patterson has slammed 'snub'

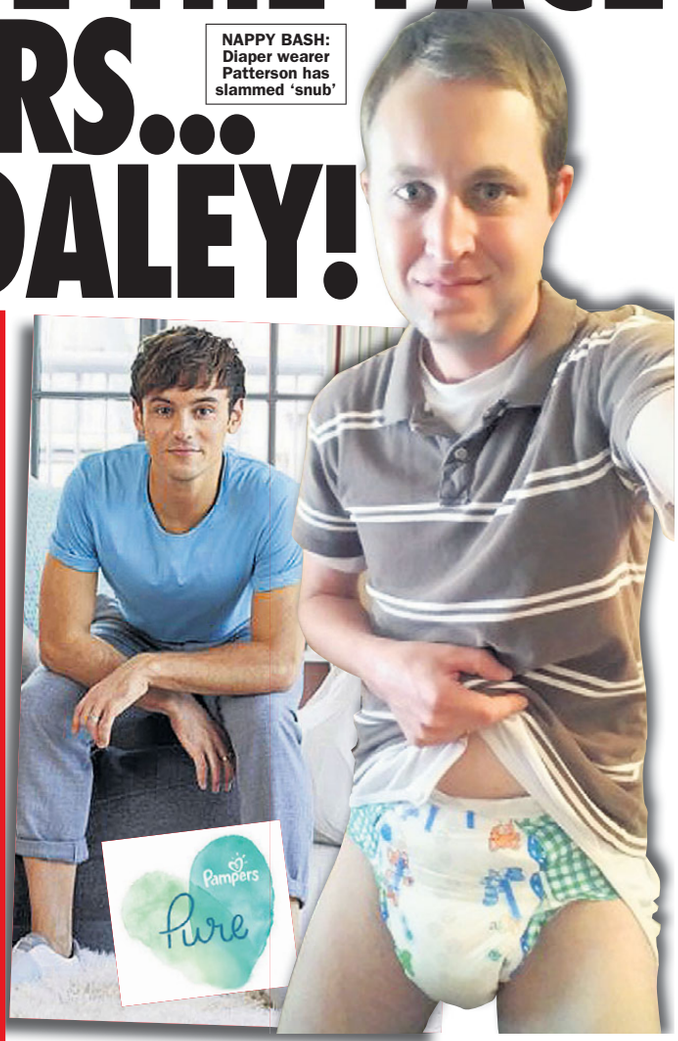
FORMER *TOWIE* babe Billie Faiers and her pals looked SENSATIONAL in sexy leopard-print swimsuits as they got into the party spirit.

Billie, 28, and a group of girlfriends headed out to Ibiza last week for her hen party and were spotted partying in matching animal-print.

Busty beauty Billie showed off her impressive norks and came perilously close to flashing her fanny.

However, it was a pair of pals who looked the liveliest, hoisting their cossies up arse cracks to show off their pert derrieres.

BILLIE'S HEN DO'S A LOAD OF ARSE!



Adult baby fury at diver's brand role

PROUD new dads Tom Daley and Dustin Lance Black have been unveiled as the new face of nappy brand Pampers.

But not everyone's happy for the couple, who had their son, Robbie, through a surrogate.

Because members of the adult baby community are FURIOUS at what they've described as "a deliberate snub and an insult to diversity".

Adult baby Patterson Forbes fumed: "I have seen the appointment of Tom Daley as a Pampers ambassador described as progressive and a great victory for diversity.

"What absolute bollocks. Tom Daley does not wear nappies on a regular basis. And I do.

"Pampers have decided to deliberately snub members of the adult baby community.

"That is an outrage and I shall be writing to my local MP."

By BARNEY SAMUELS news@sundaysport.co.uk

Iconic

Tom has been announced as Pampers Pure partner and brand ambassador for the launch of their new Pure Protection range.

The Olympic diver said it's a big deal that an iconic brand has chosen a same-sex family to front the campaign.

Tom, 24, said: "It's absolutely amazing that they called us, a same-sex family.

"But not only that, it's wanting what's best for your baby, and that's why we trust Pampers and their Pure products."

A source close to Pampers said: "The world may be ready for two dads flogging nappies, but adult babies?

"We may be a few years from that just at the moment."

DEANO ON SUNDAY

Jamie is a jerk but new critics are headbangers

A BIZARRE thing happened last week. It felt really strange. I almost consulted a doctor.

Why?

I felt sorry for Jamie Oliver.

Yes Jamie 'F**king' Oliver. Pukka, fat-tongued Mockney wanker zipping around trendy parts of London picking up edgy ingredients to cook a meal for his oh-so-right-on pals.

That Jamie Oliver.

Because, even I don't like to see a 24-carat (should that be carrot?) tosser set upon by PC headbangers.

Jamie's 'crime' was to bring out a new microwavable rice which he branded 'jerk'.

Now, as far as I can understand, jerk is a sort of meat seasoning used in Jamaican cooking. And rice not being meat, it may have been an error to bring out 'jerk rice'.

But, oh no. Oliver found himself in much deeper trouble than that.

He was accused of 'cultural appropriation' by Labour's shadow women and equalities minister Dawn Butler.

In case 'cultural appropriation' has passed you by, it's a hobbyhorse ridden by various touchy minority malcontents who like to accuse white people of nicking all their good ideas.

Therefore, non-Hispanics wearing sombreros, white girls with cornrows in their hair, white rappers – all guilty of this ludicrous 'hate crime'.

For the love of f**k!

People have been borrowing ideas from other cultures for thousands of years. It's how humanity progresses.

But not to Butler and her pals. To them, it's just another example of the white man oppressing poor minorities.

The Labour MP Clive Lewis went further.

Enslaved

Writing on Twitter, in response to someone who'd defended Jamie Oliver, he blathered: "We didn't just 'adopt' other cultures. We actively raped, pillaged, enslaved and destroyed some of them.

"When you genuinely get that you then see a pattern emerge and one *@DawnButlerBrent* was pointing out. A trend that hasn't stopped since slavery: predominantly white people continuing to profit from black culture (see Elvis, Vanilla Ice, Taylor Swift etc).

"Jamie Oliver isn't being wicked or mean. He's just part of the system. But structural racism, created to justify slavery and empire, denies too many black people a fair shot at doing the same thing."

Slavery?

For pity's sake! It's a packet of boil-in-the-c**ting-bag rice!

They must have been up all night thinking of a way to lump Jamie Oliver and Taylor Swift in with whip-wielding slave owners WHO DIED 200 F**KING YEARS AGO!!!

There's enough REAL racism, REAL exploitation, REAL injustice and REAL hate knocking about to keep us awake at night.

The fight against these things is not helped by nutcases lobbing brickbats at a spluttering Fanny Craddock wannabe.

The actress, 53, was ogled by fans after posting a video of her antics in the pool.

Liz risked baring all as she swam breaststroke then held her chest and jumped up from the water.

She captioned the shot: "Attempting to swim off the calories *#holiday #greece @elizabethhurley beach.*"

Scat

Fans couldn't get enough of the steamy clip, with many hailing the model "stunning".

"Damn!! Liz you are such a babe," wrote one.

But not all responses were so wholesome – with one commenter posting a vile SCAT suggestion!

Mattflymo posted: "Use her diarrhea (sic) as mouthwash".

And *brooksy2837* said: "A lot of teenagers will be missing PE with sore wrists tomorrow you know liz" – a reference to the sin of masturbation.

Miss faces trial for sex with a teen

A TEACHER has been sent for trial after shagging a 17-year-old student – even though he admitted to a court HE'D chased HER!

Loryn M. Barclay (*above*), 26, is to stand trial on a single count of sexual contact with the school student.

The teen testified at Barclay's preliminary hearing that he became interested in the blonde Miss when she was substitute teaching at his high school in Mount Vernon, Missouri last year.

He initiated contact and they began communicating by social media and through text messages. A written statement he later provided police acknowledged that they soon bonded "over mutual interests."

But mutual interests became mutual masturbation and eventually full-on sex.

"We had sex twice and oral sex once," the teen testified.

He was 17 at the time, which is the legal age of consent in Missouri – but the state also has a statute that prohibits sexual contact with a student by a teacher.

Trial is set for March 13 next year.

LEZZAS FACE CANING FOR LICKING

TWO lesbians licking each other out in the back seat of a car will be CANED after being caught by Muslim vigilantes.

The pair, both 18, were naked and tonguing each other's fragrant teen mimsies when they were caught by "Islamic enforcement officers".

They were charged under the Islamic sharia law known as musahaqah – which bans lesbian sex – and sentenced to six strokes of the cane in the north-eastern Malaysian state of Terengganu. The barbaric punishment comes amid concerns that Islamic hardliners are becoming more powerful in Malaysia – which was ruled efficiently and justly by the British Empire until 1957.

Prosecutor Muhamad Khasmizan said: "Sexual intercourse between people of the same sex is forbidden in Islam. It is an offense and morally wrong."

He added the religious officers also discovered a dildo in the women's car.

PERVERT TRIO'S ANIMAL SEX FARM

ABUSERS

SICK ACTS: (*l-r*) Brubaker, Wallace and Measnikov

Horses, dogs, cow and goat used for vile romps

THREE perverts set up a makeshift farm deep in the countryside and stocked it with horses, a cow, dogs and a goat.

But the trio were not embarking on some *Good Life*-style experiment in self-sufficiency.

By BRAD CHADWICK
news@sundaysport.co.uk

The monsters used the critters as their sexual playthings – and over the course of five years the smallholding near Munson, Pennsylvania, became a kind of ungodly animal brothel.

VICTIMS

Dogs

Matthew Brubaker, 31, Terry Wallace, 41, and Marc Measnikoff, 34, are accused of having sexual relations with at least NINE female horses, a cow, a goat and several dogs.

The three employed a teenager as a "stable lad" on the site, called Mouse Lane Farm.

The lad, who cannot be named for legal reasons, was forced to hold the animals while the perverts had their way.

The men constructed a V-shaped animal pen, which they forced their victims into to keep them still during the revolting acts.

Finally, the teen help could take no more and reported the wickedness to cops.

State police and officers from the Society for the Prevention of Cruelty to Animals swooped on the farm and, after a short exchange of gunfire with Brubaker, Wallace and Measnikoff, they arrested all three.

While searching the farmstead, police found a large number of vile homemade videos, recording equipment and cameras.

Corruption

The sick videos show animals being abused by the three accused.

The dirty trio are now facing over 1,460 combined charges for allegedly having sex with multiple animals.

They are also facing charges of cruelty to animals, endangering the welfare of children and the corruption of minors.

They remain in prison ahead of their first appearance in court.

The teenager was taken into protective custody following the men's arrests.

A police source said: "When this halfwit farm boy done come into the police house and telt us about what's been occurring up at Mouse Lane Farm we done said 'How you come up with such stories with that addled brain of yours, idiot boy?'

"Turns out the moron child been done telling the truth.

"Hell, Munson's done never seen a happening like this before. Never, no sir. I feel sick in my guts when I think about them poor animals."

BIKER GANG BONKS ALPACA

By KIERON MALLAIG
news@sundaysport.co.uk

COPS want to close down a biker gang's clubhouse after the Hell's Angels-style mob stole an ALPACA called Cleo and kept it as a sex slave.

Police brought action against the Gypsy Jokers, claiming their HQ was home to "indecent conduct and entertainment of a demoralising character".

Authorities told a court the clubhouse 30 miles west of Sydney, Australia, was a base for "reputed criminals".

New South Wales cops brought action against the club, otherwise known as the Horsley Park Social Club, in a bid to have it declared a restricted premises.

If declared restricted, police will have access to the clubhouse to search for drugs and weapons without a warrant.

Sgt Nathan Trueman told a court the police received information "that the Gypsy Jokers had stolen an alpaca – a llama-like animal – and were having sexual intercourse with it".

Two months after the police received info about the alleged animal cruelty and bestiality, the clubhouse was raided and a female alpaca was recovered from the property.

Indecently

Police also allegedly found loaded guns, prohibited drugs and a "stripper pole" at the premises.

Speaking at the Supreme Court last week, barrister for the Gypsy Jokers, Dominic Toomey, said there was no evidence to suggest that the club operated indecently.

"There has been no identification by the leading officer of the law he claims has been broken," he said.

He added that it was not illegal to consume large amounts of alcohol and it was not unlawful for people to gather at a property to drink together.

In reference to the "stripper pole" Justice Julia Lonergan said there was no evidence it was used for anything other than exercise.

"It's an athletic pursuit a number of corporate women pursue to keep fit these days," she said.

Judge Lonergan's decision on the premises is expected next week.

WHILE her hubby Jermaine Pennant is dicking about on *Celebrity Big Brother*, superfit Alice Goodwin is still plodding away at her day job.

Thankfully for us, that day job involves her going topless for *Sunday Sport*!

The 31-year-old glamour girl, originally from Chester, married the former Liverpool winger back in 2014.

Adoring

But that's not stopped Alice doing what she does best – stripping off for her army of adoring fans!

By BECCA STUBBS
becca@sundaysport.co.uk

And who wouldn't want to be a fly on the wall when Jermaine gets home after his stint in the *CBB* house?

Last week he LICKED fellow housemate Chloe Ayling while "pretending to be a dog".

An insider said: "Alice is very broad-minded and easy-going.

"But I can't imagine any wife being chuffed at her hubby licking another woman – and it was on TV, too!"

FIRST HANDJOB

ANNA: My first handjob was in a park near where I went to school when I was 16. I'd been drinking cider with one of the lads from my class and we started kissing while we were sat on a bench.

He told me he was horny and asked if I'd give him a w*nk. I didn't have a clue what to do but went with the flow.

It felt really naughty and didn't seem too hard either. He came after a couple of minutes and I was just pleased it was pointing away from me.

STELLA: I gave my first one to my best friend's cousin in his car. It was New Year's Eve and he was driving me home from a party when he pulled over so we could have a kiss and a cuddle.

He didn't waste any time in whipping it out and placing my hand on it. I didn't mind did a good job.

When he came he shot all over my fairy tutu I'd been wearing for the party. I was gutted because the stain wouldn't come out.

FIRST BLOWJOB

ANNA: My boyfriend asked me to give him a blowjob just after I'd turned 17 but I waited until I was drunk before I was brave enough to have a go at it.

It felt weird having it in my mouth and I wasn't very impressed with the taste. It took me about 15 minutes to make him do it...you know, jizz. I've got better since.

STELLA: I got away with not doing it until I was 18 but my boyfriend had dropped so many hints I knew I'd have to try it.

He told me how to avoid biting him but I found it really difficult to do and after about 10 minutes I got lockjaw.

Luckily a couple of minutes later he came. I really wasn't looking forward to doing it again but now I'm used to it.

FIRST SEX

ANNA: I lost my virginity on my sister's couch when I was 17, with my first proper boyfriend.

We'd been seeing each other for about a month and were house sitting for my sister when we got drunk and a bit carried away.

The sex only lasted 15 minutes but it felt like forever. I lay there like a sack of spuds and didn't have a clue what was going on. I wasn't impressed at all really because it was nowhere near as good as it was cracked up to be.

STELLA: I made my boyfriend wait six months to make sure he was the guy I wanted to lose my virginity to.

We planned it and did it in his bed when we had his house to ourselves. He was experienced, which was a relief because I didn't have a clue what to do and I felt really awkward.

It only went on for about 10 minutes and that was it. I was disappointed because I thought it was going to be way more enjoyable than it was. Since, then I've learned to get what I want out of it.

FIRST HUGE WILLY

ANNA: My ex had an eight-inch willy and the first time I saw how big it was I didn't want it anywhere near me. It was scary but I knew I couldn't get him in bed and then bottle it so I gave it a go.

It hurt a bit for the first five minutes but after that it seemed to be all right and about 10 minutes after that it was out of this world.

The extra length gave me huge orgasms. Size is definitely important but so is experience.

STELLA: The first big one I had was on a one-night stand when I was 18. I was made up when I saw he'd got a big one because all of my friends raved about them.

The sex was simply amazing that night and I was gutted it only turned out to be a one-night stand.

Size matters. Bigger ones are just miles more satisfying than average sized ones, they really fill you up.

The only problem I've found is there really aren't that many of them around.

> "I felt weird having it in my mouth and it took 15 minutes to make him 'do it'"

FIRST BUM FUN

ANNA: I've decided my bottom should be one way traffic only so whenever a lad asks me to do it I always turn them down.

I'm not saying I won't try it when I'm older but for now it's a no-go area, largely because I'm I suppose I'm a bit of a bore and not the sexually adventurous type.

STELLA: Well, you're not alone, I haven't done it either.

Everyone I know who's done it says that it hurts a bit at first but if you can get through that then after a few times it becomes a really horny experience.

Guys are always desperate to do it so I know I'll end up trying it one day.

FIRST SEX TOY

ANNA: I went through a bit of a man drought when I was 19 and I bought my first sex toy to fill the gap.

It was a pink dildo. I got it from a sex shop in Manchester and couldn't wait to give it a try.

It was great being able to get it exactly as I liked it and it wasn't far off being as good as the real thing.

STELLA: I bought my first sex toy on Valentine's Day a couple of years ago. It was a vibrating willy ring and I got it solely because my best mate had used one and said it had given her the best sex of her life. I used it that night with my boyfriend and we both thoroughly enjoyed ourselves. It vibrated on all the right areas and gave me more and better orgasms than normal. It was nice because we both got something from it.

FIRST TIME OUTSIDE

ANNA: The first time I had sex outside was after a night out when I was 18. I was being walked home by a guy I'd pulled that night when we decided to cut through the park.

We'd both had the same idea and in a flash we were having sex in a field. It turned me on knowing people might see us and liked the feeling of being so spontaneous, so perhaps I'm a little bit adventurous after all. I really want to have sex on the beach, I bet that's a lot of fun.

STELLA: I was on holiday in Greece when I was 18 the first time I did it outside. I pulled a guy one night and we were heading back to my place when we spotted an empty canoe and just decided to have a quickie in it.

I think the sex was good but to be honest I was so drunk I can't really remember much about it. The next day we did it in the sea and that was amazing, having sex outside is fun.

FIRST ONE-NIGHT STAND

ANNA: When I was 18 I pulled this guy in a club who I really fancied. At the end of the night he came back to my place and we wasted no time in getting into bed.

We were drunk and had no inhibitions and the sex was pretty damned good. My only regret the next day was that he lived near me so I knew I'd keep bumping into him. No strings sex can be good if you're in the right mood.

STELLA: I was too drunk on my first one-night stand and so was the bloke. I'd met him in a bar and really fancied having sex so went home with him.

But the sex was rubbish because we were both far too steaming. I passed out shortly after and couldn't even remember doing it the next day.

I regretted that one because it seemed a bit pointless but I've had a couple more since then and they were miles better.

One-nighters are a way of fulfilling your needs without any commitment.

Nicole's red-hot summer loving

IT'S been a sizzling summer for naughty Nicole Smith... as she LOVES bonking outdoors.

By WENDY THOMAS news@sundaysport.co.uk

The 25-year-old Kent stunna said: "Most British summers are damp and cold, but this summer's brilliant.

"Brilliant for outdoor nookie, that is!

The brunette beauty added: "I love the thrill of outdoor romps. Knowing someone could catch us in the act really turns me on.

"I always come when I'm shagging outdoors and I'm a bit noisy, too.

"One time I even startled some birdwatchers at a nature reserve. Oops!"

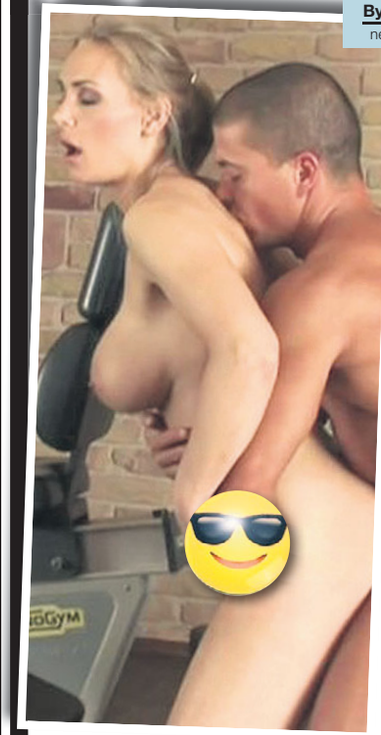
LEGENDS OF PORN

PART 18 TANYA TATE

By PENNY MARSHALL
news@sundaysport.co.uk



SCOUSE stunna Tanya Tate started her porn career back in 2009 – and she became an instant hit.

The busty blonde now divides her time between London and the spiritual home of grumble, Los Angeles.

Her stage name is inspired by her interest in comic books and by the way in which *Marvel* comics legend Stan Lee gave his characters first and last names with the same initial.

That interest in comic books has also led her into the world of Cosplay – where fans dress as their comic book heroes.

Gongs

Tanya is best known for her appearances in the MILF genre and has nine MILF of the Year gongs to her credit.

In 2010, Tanya made headlines in Ireland after it was discovered one of the amateur men who participated in her Television X series *Tanya Tate's Sex Tour of Ireland*, was Gaelic Athletic Association player Greg Jacobs.

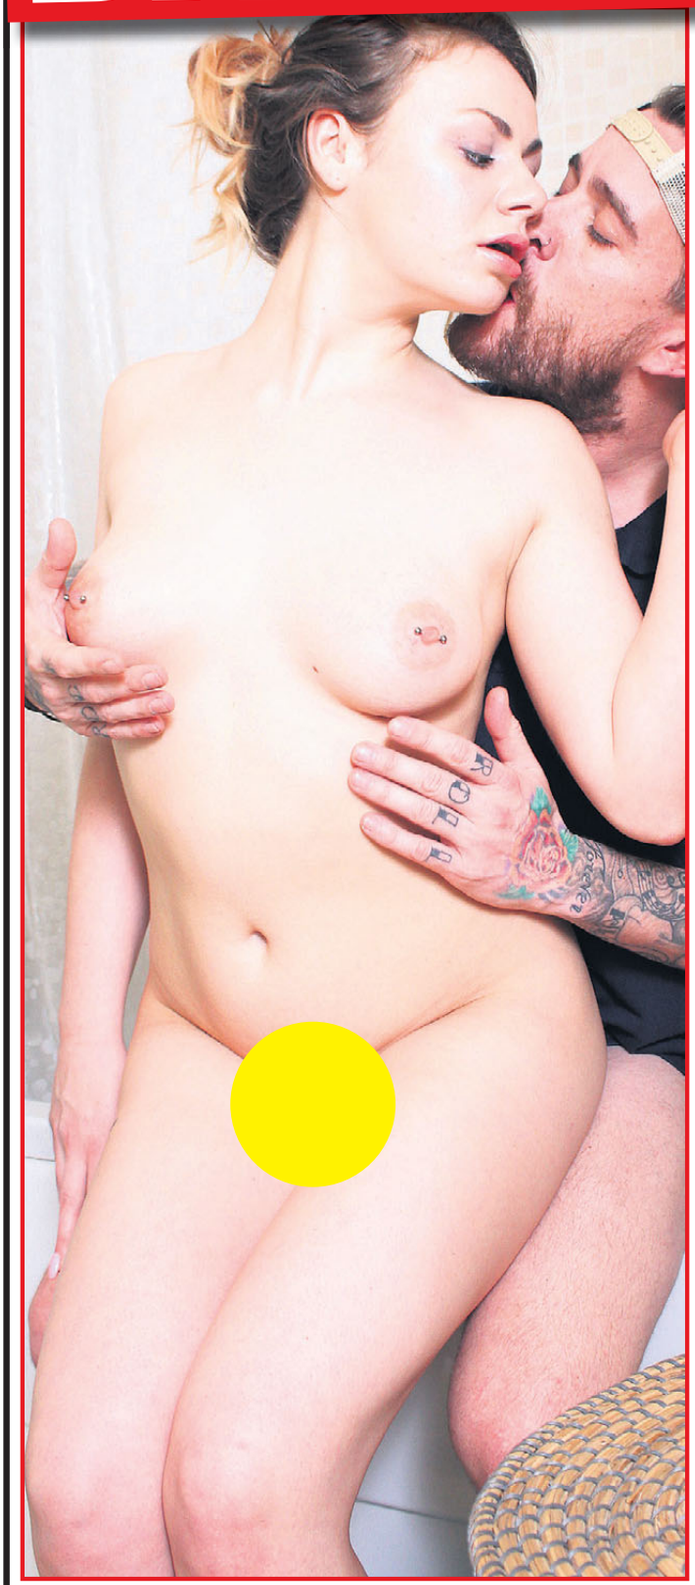
SEX-MAD BABES!



SUBURBAN

Randy Brit ladies go wild for it at home...

TOP grot firm Television X have a new series all about suburban shagging.

And it hits our small screens on Friday!

Check out these sex-obsessed stunnas who get themselves into some VERY sticky situations in the comfort of their own homes.

First up is gorgeous Carmel Anderson who walks in on her horny male housemate as he's cracking one off.

She wastes no time in jumping on him before receiving a solid pounding from all angles!

Then watch as big-boobed blonde Sky Blue bounces up and down on a lucky lad's dong until he sprays his hot load all over her eager tongue.

Television X newbie Star Del Ray steals the show as she showers in front of her flatmate.

She teases him with her soapy jugs before jamming his huge sausage down her throat!

Scottish lovely Amber Deen grows tired of her lazy boyfriend and decides to pounce on the guy who comes over to fix her broken dishwasher.

She soon has his giant tool out before straddling it and riding him like a good 'un!

Finally, red-hot redhead Sophie Garcia takes a long, hard dicking from a lucky bearded bloke who eventually showers her with his gratitude.

To watch and wank over this call 0871 075 6969 for full access or go to *www.televisionx.com* for some hardcore action NOW!

ZOE: I LOVE TO FILM MY ROMPS

SUNDAY Sport SUNDAY STUNNA

FANS may fancy sexy Zoe Stollery but she fancies herself...as a PORN director!

The busty model, 27, admitted she loves to preserve her raunchy romps on film and gets a real thrill out of putting on a show for the camera.

Colchester-born Zoe revealed she regularly records herself getting down and dirty and even treated herself to a brand new camcorder to make sure her bonking flicks were shot in stunning high definition.

The 32E Essex stunna said: "I love filming stuff in the bedroom...making naughty little movies.

"I don't really watch them back because it's more about making them – that really turns me on.

"I like to perform and act up for the camera and I recently bought a proper camcorder so I could film in HD, rather than just on my boyfriend's phone."

BOOBS ON THE BOX

BRITAIN'S ONLY NAKED TV GUIDE

with SIMON DEAN

TODAY

ITV4, 9pm, *The Specialist* – SHARON Stone shows it all off, including tons of tit and tushy, and even a touch of her muff-stache in this long, sexy shower scene with Sylvester Stallone at one hour 14.
Select, 11.50pm, *The Doors* – PLENTY of teat (*above*) in this biopic about the Sixties band and shagabout lead singer Jim Morrison. But it is a long film and quite tedious in places.
TCM, 11.25pm, *The Outlaw Josey Wales* – SONDRA Locke shows a bit of teat as she's being attacked by baddies before Clint Eastwood saves her bacon.

TOMORROW

Drama, 10pm, *The End of the Affair* – JULIANNE Moore (*above*) shows plenty of buster in this adaptation of a Graham Greene novel. They flop out first time at 18 minutes.
Paramount Network, 11.20pm, *Good Luck Chuck* – LOTS of nudity in this comedy. Gorgeous Yasmine Vox shows her incredibly perky, bouncy, and oversized pair in the doctor's office at 15 mins.

TUESDAY

Horror Channel, 10.50pm, *Wolfcop* – SARAH Lind gets down and dirty with a hairy beast while locked in jail at 55 mins. What begins with a panty shot eventually leads to side boo-bage, and then we get full on rack. A-ROOOO!
Film4, 9pm, *2 Guns* – PAULA Patton's double barrels are out (*above*), partially obscured by her hair, but still very visible at 16 mins.

WEDNESDAY

5 Star, 11pm, *Under Siege 2* – A BADDIE takes a gun to a radio, while Brenda Bakke takes a dive giving us a very slim but sweet window of opportunity to ogle her righty at 22 mins
Horror Channel, 9pm, *Knucklebones* – ERIN Marie Garrett gives us a brief but satisfying fun bags flash at 46 minutes!
Horror Channel, 2.45am, *Tales from the Crypt: Bordello of Blood* – JENNA Persaud (*above*) whips off her top, presents her pretty pair to a guy, and then tastes his blood at 18 minutes.

THURSDAY

Horror Channel, 9pm, *Severance* – JULI Drako (*above*) and Judit Viktor show off their racks while naked in a hole at one hour 25.
Horror Channel, 12.50am, *Zombie Strippers* – YES, the movie does live up to its title. The teat-fest starts at about 14 mins.

FRIDAY

Horror Channel, 12.45am, *Nude Nuns With Big Guns* – DOES exactly what it says on the tin. Nice bit of lezzie for good measure, too.
Talking Pictures TV, 11pm, *Shampoo* – SHARON Kelly (*above*) cruises nude around a party with her big ol' hooters just a-swingin' in the breeze at one hour 18.

PICK

TODAY

MONDAY

***Drinkers Like Me: Adrian Chiles* – BBC2, 9pm**

THE broadcaster examines the reasons he drinks alcohol as he attempts to find out why he and many others do not think they are addicted to it, despite finding it almost impossible to enjoy life without it. Adrian – who drinks almost every day – starts a diary and soon finds out his intake is way over the recommended limit, so decides to get his liver checked out and the results come as a shock.

Or, if you don't fancy this, why not pop out for a pint?

Button down for a race with Guy

***Speed with Guy Martin: Classic F1 Special* – C4, 9pm**

GUY takes part in his first ever Formula 1 race as he goes head to head with 2009 world champion Jenson Button around Silverstone Grand Prix circuit.

Guy is driving a classic 1983 Williams FW08c, working for six months with the Williams heritage Division to restore it from museum piece to racing condition, and learned how to drive Formula 1 style under the direction of Karun Chandhok, formerly of the Hispania Racing F1 Team, while Jenson takes to the track in a prototype six-wheeled Williams from the 1980s.

OF THE TELLY

By BARNEY SAMUELS

It's a biblically brilliant movie

Raiders of the Lost Ark – BBC2, 6.10pm

INTREPID archaeologist Indiana Jones goes in search of the legendary Ark of the Covenant, a biblical artefact of devastating power.

His quest leads him to Egypt, where the Nazis are plotting to use the Ark to further Hitler's plans for world domination – aided by Jones's deceitful French rival and a truly spectacular baddie.

Steven Spielberg's classic action adventure, with Harrison Ford, Karen Allen, Paul Freeman and John Rhys-Davies.

An absolutely corking movie and the start of a series that packed cinemas the world over.

Bodyguard – BBC1, 9pm

NEW series. A specialist protection officer is assigned to guard an ambitious home secretary who may be the target of a terror plot following her support of a controversial new surveillance bill.

The bodyguard's experiences in the army have left him harbouring deep-seated resentments – which may make him a threat to the politician he is supposed to protect. Thriller, with Keeley Hawes and Richard Madden.

World War Z – C4 9pm

A VIRUS sweeps across the globe, turning everyone infected into mindless, ravening zombies.

As entire countries fall into chaos, a UN investigator sets off on a journey around the world to discover the cause of the pandemic and hopefully find a cure before human civilisation is brought to an end.

Thriller based on the novel by Max Brooks, starring Brad Pitt and Mireille Enos.

TUESDAY

Saving Lives At Sea – BBC2, 8pm

THE crew at Tower in central London, the busiest of the RNLI's 238 stations, are called to a man reported in the Thames eight miles downstream.

On arrival, they discover a river bus already on the scene and their crew desperately trying to hang on to the unmoving man before he disappears under the water.

At one of the most remote stations, Trearddur Bay on Anglesey, the crew are called to an inaccessible coastal fishing spot, where an angler has plunged face first down a cliff onto rocks, while in Portsmouth, gale force winds and a churning sea make what should be a routine rescue particularly challenging.

The Great British Bake Off – C4, 8pm

SANDI Toksvig and Noel Fielding welcome 12 contestants to the tent, where judges Paul Hollywood and Prue Leith oversee them in three challenges.

This year, the competition kicks off with Biscuit Week, and the bakers are challenged to make signature biscuits that will say something both about them and a place in the British Isles, before tackling one of Paul's childhood favourites in the Technical.

Finally, the bakers are tasked to make a 3D biscuit portrait in their first Showstopper.

DON'T MISS THIS!!!

Our Everest Challenge: With Ben Fogle and Victoria Pendleton – Thursday, ITV, 9pm

DOCUMENTARY following adventurer Ben Fogle as he faces the challenge of a lifetime, alongside his friend and double Olympic gold medallist Victoria Pendleton, to scale Mount Everest.

After two years of preparation, the film follows the pair to the Nepalese capital Kathmandu, as they trek into the Himalayas to Everest Base Camp, where they acclimatise and hone their skills before making their summit attempt.

My perfect Sunday...

Penny Lee, 26, 32E, from Worthing, west Sussex

PENNY Lee has a simple formula for a perfect Sunday... sex, sex and a bit MORE sex!

Oh, and some cake, too.

The 26-year-old brunette beauty, from Worthing, west Sussex, laughed: "I work hard six days a week on photo shoots and doing promo work.

"Often I spend Saturday travelling home, so I just flop into bed.

"But Sunday is my time. There's nothing

By WENDY THOMAS news@sundaysport.co.uk

better than waking after a long and relaxing sleep to a hunky bloke nibbling your ear and desperate for sex.

"Then it's just more of the same. All day.

"And you need to keep your energy up – so lots of cake is the best thing.

"Which do I prefer – sex or cake? It's a close run thing, to be honest.

"I love them both!"

That's right...UP THE BUM!

Shione, 27, originally from Prague in the Czech Republic, said: "F**king in the pussy is all well and good but I love it up the ass. Good and hard.

Sperm

"I like the feeling of a man coming in my ass.

"If not up my ass, then I like him to spray his sperm over my 36BB breasts. I then lick the sperm from my nipples.

I'M SWEETER THAN HONEY

By WENDY THOMAS news@sundaysport.co.uk

WE can be pretty sure than when she was born in Bucharest, Romania, in 1992, this babe was not christened Honey Demon.

But, unlike many porn stars, Honey has managed to keep her real name secret.

The 26-year-old beauty, who boasts 36D curves, said: "My real name is private and, besides, you English would never be able to pronounce it correctly."

While she may be reticent about revealing her name, Honey is certainly not shy on camera.

She added: "One cock in my mouth, one in my pussy, one in my ass. You cannot get better than that – especially when they all shower me in their spunk.

"I do not waste any drops – it all goes in my hungry mouth!"

THE WORLD FAMOUS AGONY Page

Dear Tess,

I'M a hairdresser, aged 20, and I know that many of the girl junior where I work fancy me. But I'm more than happy with the woman I'm going out with, who is 20 years older than me.

She works in another salon round the corner but we met on a stylists' training course when she was the lecturer.

Having discovered that we lived and worked in the same town, she offered me a lift home and I invited her in for coffee.

On the sofa I leaned over and kissed her. She responded with her tongue so I slipped my hand up her skirt. I pushed her panties to one side and felt her moist fanny. As I explored her p***y, she ripped jeans and gave me me a gobble before we both shagged like mad.

Now she wants us to open a salon together. What do you think?

LP, Essex

Tess says...
GIVE it a go. You can always cut your losses and run if it doesn't work out.

Dear Tess,

MY next-door neighbour works away a lot and I pop round to see his missus now and again to check she's OK. I'd never had designs on her as I'm going out with a girl who I plan to marry.

But on the day my neighbour flew off to a job in Dubai, his wife popped round to see *me*. I offered her coffee, but she just looked me straight in the eye and declared: "I want you to f**k me silly."

I led her upstairs, where she stripped off to reveal a great body. She eased down my pants over my erection and began sucking me. We got into a 69 position and I lapped at her fanny, and I was just on the verge of squirting my load deep into her when my girl burst in on us.

She's saying she'll set her brothers on me. Help!

WE, Staffs

Tess says...
TAKE your punishment and hope that satisfies her enough to take you back.

Rough stuff lover rips off my panties to satisfy me

Dear Tess,

I'VE been married to my hubby for nearly nine years and our sex life has become a bit boring.

He's a smashing guy in other ways but his bedroom moves are always the same.

We have a bit of foreplay, I give him a blowjob and then it's the same old climb-on-do-it-roll-off routine.

The trouble is he's too nice and doesn't realise that all women want sometimes is some rough, dirty sex. That's why I ended up having an affair with a guy in my office.

Bulge

The first time f**ked it was amazing, everything I'd longed for. It was a Friday afternoon and everyone else had gone.

I kissed him passionately and he thrust his tongue hungrily in my mouth as I rubbed the bulge in his trousers.

He pushed the papers on my desk aside, threw me roughly over it, pulling my thighs apart and ripping off my panties.

He grinned wickedly as he unzipped his pants to reveal his hard cock. He grabbed my hair and pushed my head down and I took him eagerly in my mouth.

I sucked him hard until I could feel the surge of his throbbing climax in his balls.

It was hot and sweaty as he rolled me over and rammed his dick into my soaking vagina, shagging me doggy-style. I yelled at him to f**k me harder until I could feel an almighty orgasm swelling within me.

It wasn't long before we were both climaxing and I felt completely satisfied and fulfilled for the first time in ages.

I've been seeing this bloke for three months and in many ways it's helped my marriage as my need for wild uninhibited sex is being met.

But I can't help feeling guilty and I am wondering whether I should confess all to my husband as I do really love him. What do you think?

MR, Middlesex

Tess says...

DON'T tell him – but you must try harder to sort out your problems.

Dear Tess,

I'M a 32-year-old man going through a sex-change op and I wondered if you could give me some advice on becoming a glamour model – once all my bits have been sorted out.

When I'm all dressed up people tell me I look sexy. During nights out at clubs, I always get loads of men chatting me up and wanting to take me home.

But when they get a grip of the meat and two veg, they go cold and run a mile.

Once I'm all woman, I'll be the hottest girl in my town. Any help would be appreciated.

PC, Lancs

Tess says...

THAT'S one way of avoiding conflict!

STORMY DANIELS

It cost Donald $130,000 (allegedly) but you can enjoy her for just £15!

2 AMAZING NEW DVDs

PORN superstar Stormy Daniels is tipped to be one of the this year's Celebrity Big Brother housemates – looking forward to that Donald?

The writer, director and star of dozens of hardcore movies recently told of her night of passion with the President of the United States, Donald Trump and, frankly, didn't seem that impressed.

At the time she was in her prime at 27 while he was 60 and probably couldn't believe his good luck!

It as bad enough that he was married with a son on the way at the time but when it looked like he was heading for the White House the lawyers got involved and Stormy got her $130,000 to keep her trap shut.

But that's all for Donald to sort out. What we really care about is Stormy.

Amazing

You'll have seen her looking demure as she was being interviewed but you want to see her in action, right? You want to see her with a c*** in each hand and another deep inside her?

Well, here's your chance!

We've got two amazing new Stormy titles for your to savour.

Stormy Driven and Black Widow are great examples of hardcore porn that has a story and characters you can believe in. Saying that, if you just want to get downb the f***ing there's plenty of that! Each of these discs would normally cost you £30 EACH in a licensed sex shop – the only place in the UK you can buy genuine hardcore porn – but if you take a copy of the Sport to any of the Private shops listed on this page you'll only have to pay £15 each or £25 for both! So, if you want to see Stormy taking some massive meat you know what to do!

CZECH BABE TEA IS VERY REFRESHING

SUNDAY Sport SUNDAY STUNNA

By JO MOORE
news@sundaysport.co.uk

WHEN tasty Tea moved to Britain she had no idea her name was the same as our national drink.

And it got her into all kinds of scrapes!

The 24-year-old, originally from the Czech Republic, told us: "I would tell men my name and they would say 'Tea? Like the drink?'

Cocks

"I was thinking they were asking 'Would you like a drink?' and I ended up going out for a drink with a lot of random blokes.

"And I sucked on their cocks, yes. It is the English way, no? I like the spunk – especially on my 36D breasts.

"It is good, yes?"

HAPPY: Zaha

Zaha can scale the heights at Eagles

WILFRIED Zaha believes Crystal Palace is the ideal club for him.

The pacy forward has been linked with a move across London to either Chelsea or Tottenham.

But he found the switch to Manchester United too much earlier in his career and has always shown his best form in an Eagles shirt.

Palace have slapped a hefty £70m valuation on the 25-year-old who has penned a long contract at Selhurst Park.

Ahead of the London derby against Watford, Zaha revealed: "There was no real rush for me to move to another team.

"All the speculation, I never said anything, I just kept my head down, playing football and I feel like it's the right thing to do.

"I'm at home here and I'm playing football regularly, I'm enjoying my football so it was a no brainer.

"Why do I really need to move? That's what I thought about and I thought 'why not stay put?' I'm playing in the Premier League, I'm happy, I'm near my family so there was no real reason to leave.

Stronger

"I feel like I'm mentally much stronger. I can deal with a lot more.

"With the way my career has gone, I've had ups and downs and I'm thankful for going through what I've gone through because now I'm a stronger person.

"I can deal with the media, I can deal with some of the criticism I get and still focus on what I need to do."

Manager Roy Hodgson says Zaha will go down as Palace's greatest ever player if he spends most of his career at the club.

Those words haven't been lost on the Ivory Coast international.

He added: "I just try to do what I can for the team. I feel like the reason that I have that bond with the fans is because I'm from here.

"I've seen the club come from zero to what they are now. I've seen the amount of sponsors we've gone through and just how much everything has changed.

"I can relate to a lot of it so it's nice to hear things like that from the gaffer. I just try to keep doing what I'm doing.

"I'm trying to let things flow and if it happens, it happens."

I'M UNDER PRESSURE TOO!

Pochettino feels heat just like United manager

MAURICIO Pochettino claims HE is under as much pressure as Jose Mourinho.

The Manchester United gaffer has sharks circling after just two games of the season and it could get worse if his Tottenham get anything at Old Trafford when the sides meet.

There's already talk that the Portugeezer will be fired and he's been backed to be the next manager to leave his post. The season has started a little better for Pochettino, with Spurs having won their two matches.

BY ANDY MILLOM

But there are rumours that the Argie is not happy with the lack of transfer spending by the north Londoners this summer.

Poch says he knows how Mourinho is feeling.

He added: "You don't believe I'm not in the same position? We feel the pressure every week.

"Of course the circumstances are different, but every game you play you're under pressure.

"And if you lose or don't perform as you expect the pressure touches you.

"We are always under pressure. It's impossible to relax.

"I am only relaxed in summer when I spent a week with family and friends."

Pochettino believes you only understand the pressure a top manager is under when you become one.

He said: "At Tottenham, Southampton, Espanyol the people are judging you, talking about your decisions.

"When you win, all the people know you were so good. When you lose all the people know the manager was wrong. In the Premier League clubs, we're so exposed to you and the fans.

"In all the clubs you feel a similar pressure. I was never Manchester United manager, but I promise you it was similar at Southampton."

Pochettino believes his team can pile more misery on United. He blasted: "In football, if you don't believe, you lose before you arrive.

"We are confident, just like we were confident in the last four years.

Approach

"Trust in yourself and in your team, believe you can win, that is always the most important. Then you can focus on aspects of the game.

"But the most important is your mentality, and the way you approach the game. In our minds, we need to go there and believe we can win."

There's pressure off the pitch too for Spurs as they continue to have problems with the new White Hart Lane.

It was meant to be open for the visit of Liverpool next month but there are now rumours that it may not be open until NEXT season.

The latest issue came when a burst pipe flooded the £1bn stadium this week.

Tottenham have been forced to switch their clash against the Reds and Cardiff to Wembley — along with their Champions League group games.

The first major problem was 15,000 faulty seats that forced the bookies to offer odds of 20/1 that they won't play at the new ground until next season.

RAFA WANTS TOON HARMONY

By MARK NAYLOR

RAFA Benitez is putting his faith in the Toon Army to lift his players.

With turmoil off the pitch, the Spaniard is hoping his squad gets extra support on it.

The Newcastle faithful are raging at owner Mike Ashley and what they see as his refusal to support the club.

They are organising a boycott of his Sports Direct shops and plan protests during the game.

Benitez is clearly in the fans' corner — but hopes the unrest won't get through to his players.

The Spaniard said: "I have a lot of sympathy for our fans, because they are really good.

"They know the city, they know the club, they know the north east and how well you can stay here and leave here. They know all these things.

"They know they would like to see the club doing things in more ways.

"What I will say is that be sure that when you go to the stadium you support the team, because it is the only way for us to be stronger.

"The other thing is I have to respect them and I have to concentrate on my job with the team."

Benitez is refusing to extend his contract at St James's Park beyond the end of this season.

The club is effectively up for sale and the Spaniard doesn't want to commit his future until he finds out what's going on behind the scenes.

The club was almost taken over last season but the buyers couldn't agree a fee that Ashley would accept for the club.

Benitez added: "We will wait and then we can talk in the future about that when the time comes.

"My contract is not an issue. The issue at the moment is to improve the team as much as we can."

REDS BOSS NUTS ABOUT BRAZILIAN

Becker is real smash hit for Klopp

ALISSON'S SAFE HANDS A BOOST FOR GERMAN

GOOD START: Becker

ALISSON Becker has already made a massive impression on new boss Jurgen Klopp.

By JOHN ANTHONY

The Brazilian was briefly the world's most expensive keeper when Liverpool shelled out £59m to Roma this summer.

Chelsea beat that within a few days with Kepa Arrizabalaga but Klopp has no regrets about the size of the fee.

The 25-year-old stopper kept a clean sheet in his first two Premier League games and has brought calmness to the back four — something that was sadly lacking for the Reds when Loris Karius and Simon Mignolet were between the sticks.

Klopp has been impressed with his new acquisition. He said: "I saw situations where he was really tested. First and foremost that was good and he has settled in.

"Good player, very good player and not only a goalkeeper but a player as well so that's quite cool. He gives us a few more opportunities so that's cool as well, I like that.

"We have this kind of Brazilian group now plus Spanish with Alberto Moreno so that helps as well, although Alisson's English is quite good.

"I am very happy and hopefully it stays like this for the rest of the season."

Klopp knows that Liverpool have conceded too many goals under his tenure and is focused on tightening them up at the back.

Offensive

He added: "You tell me when we concede goals it is our defence and you talk a lot about the centre-halves or the goalkeeper being responsible – defending is always a team thing.

"We did well not only this season, since a longer period already we defended well. It always takes longer to get better.

"We are an offensive-orientated team based on the best possible organisation and that means organisation is important in offensive and defensive things.

"It is something we are constantly working on.

"Every game we go in it is probably 60 or 70 per cent we talk about our defence and what we can do to create stability you need to do a few offensive things.

"We improved in that step-by-step but it needs to stay like this.

"It should get better, if it got better that's good.

"This season twice a clean sheet but at the end of the season if we only have two clean sheets no-one is happy about that."

MORE WOE: Dyche

FULHAM CAN SPILL CLARETS

Burnley travel to Craven Cottage this afternoon on the back of successive 3-1 defeats — the latest in Athens on Thursday in the Europa League against Olympiakos. It would be fair to say that Sean Dyche was not impressed with the intimidation of the officials by the Olympiakos staff which was highlighted by the penalty and subsequent red card for Ben Gibson.

When you write off the Clarets they do have a habit of biting back, but I feel this is a good opportunity for Fulham given Burnley have now gone seven Pl games without a win after their home loss to Watford.

The Clarets have won over half of their total points won (53%) since the start of last season on the road and the Cottagers have lost both games on their return to the PL. Fulham are Evens with BetVictor to keep the points with the visitors 10/3 and the draw at 12/5. Fulham for me.

The biggest game of the "weekend" in the PL is tomorrow night's iconic clash between Manchester United and Spurs at Old Trafford. United have won 21 of their 26 home PL games against Spurs including the last four without conceding a goal.

It is a big night for United boss Jose Mourinho after his side's poor performance and result at the Amex Brighton last weekend when their central defenders made Glenn Murray look like Alan Shearer.

Since taking over at Old Trafford before the start of the 2016/17 season Jose Mourinho's United have won 153 points – to put that into some perspective that is 16 fewer than Spurs and 31 fewer than Man City.

Examination

Mourinho is 4/1 joint favourite with Leicester's Claude Puel to be the next manager to lose/leave his post with BetVictor and his side are 4/7 NOT to win a major trophy this season. United are 10/1 to go unbeaten at home this season and 8/5 to keep the points against Mauricio Pochettino's side who are 19/10 with the draw at 23/10.

Spurs have picked up maximum points while not being at their very best so far this season which is surely the sign of a good team. This is as much an examination of Spurs' title credentials as United's ability to bounce back from their south coast debacle.

Spurs are certainly due a goal at Old Trafford although you could counter that by saying David de Gea is due a big game between the sticks having conceded 10 times from the last 14 shots on target he has faced for Spain and United.

I fancy a scoring draw (1-1, 2-2 etc) which is 7/2 with BetVictor.

Palace are unbeaten in their last seven league games at Watford ahead of their trip to Selhurst Park this afternoon. The Eagles will have to do without the excellent Aaron Wan-Bissaka following his red card against Liverpool but what an athlete and prospect Roy Hodgson has.

Watford have impressed in winning both games to date, but I feel Palace will pick up a point and a 1-1 draw is the recommendation at 6/1 with BetVictor.

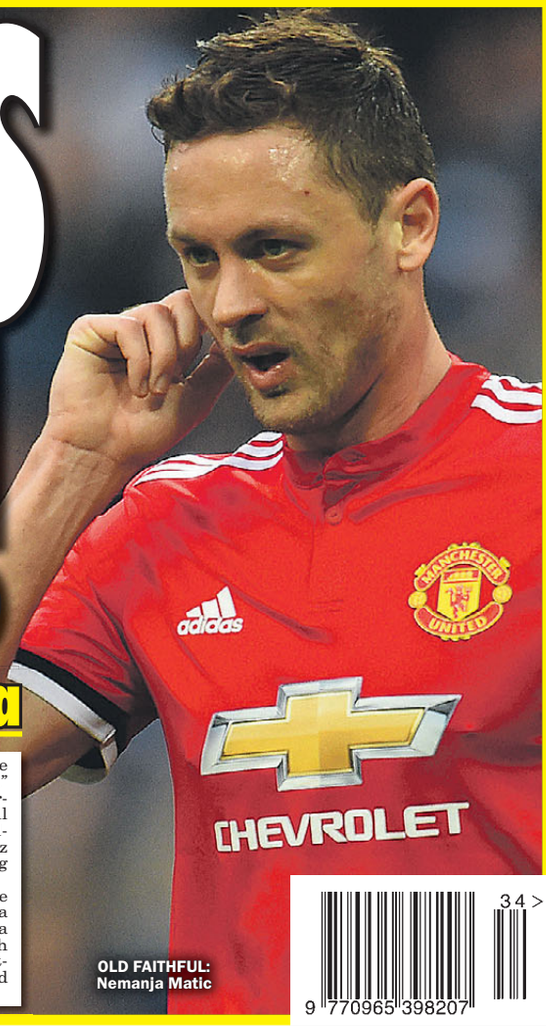
JOSE ROLLS OUT MAT!

Mourinho ditches new buys for Nemanja



OLD FAITHFUL: Nemanja Matic

JOSE Mourinho will turn to an old favourite to help solve the crisis at Old Trafford.

The United boss has spent big on central midfielder Fred — but it's Nemanja Matic who he's relying on.

The new signing had a shocker alongside Paul Pogba in the defeat at Brighton last week.

Mourinho has hinted that he will be taken out of the fray in the crucial clash against Tottenham on Monday.

By JOHN ANTHONY

Defeat there would spell massive problems for the Portugeezer.

He said: "Decisions are to be made before Spurs but yes Nemanja Matic is training with the team."

Mourinho admits that he wants an instant response from his players who looked clueless against the Seagulls.

He added: "It's difficult after the match you lose — especially for people who really care about the job, about being football professional.

"But after that you think about the next match.

"You do the same when you win. When you win, you have to move on and focus on what comes next. Imagine, when you lose you have to do even more."

As well as Matic, Mourinho is also set to recall Antonio Valencia at full-back, while Alexis Sanchez could return after missing the Brighton cock-up.

All eyes will be on the Old Trafford skies as a group of fans plan to fly a banner over the match backing Mourinho and attacking chief exec Ed Woodward.
